

Dear NEWway Host Churches,

I hope this email finds you all well.

A bit of positive news in these ever-changing and challenging times, our day centre NEWday is once again opening!

Of course, due to COVID-19 restrictions, we will be going back into this with much tighter rules and regulations namely an appointment booking system (which you can find on our website). We will be officially opening on Monday 14th September at The Bobby Moore Pavilion in East Ham for scheduled appointments which can be made for Monday-Thursday 8:30am-2:00pm, the team is ready and raring to go.

Over the summer we moved into a new venue and so it has left our resources a little depleted. If you and your teams would like to get involved in supporting the people who will attend the day centre we could always use donations of the following:

- Toiletries
- Hats and scarfs
- Winter coats
- General clothing (sensible, mostly mens size S and M)
- New socks and underwear
- Shoes

If you are able to donate you can either drop the donations off at The Bobby Moore Pavilion from Monday-Friday 8:30am-2:00pm or email [admin@newwayproject.org](mailto:admin@newwayproject.org) to arrange a collection.

Here at the NEWway Project we are always so thankful for your continued support and prayers.

God bless you.

--

Kind regards,

Ami Moulton

NEWway Project Support Worker.
