THE ORDER OF THE KNIGHTS OF SAINT COLUMBA

What's in it for me?-----

1. A real sense of *belonging* to an organised body of like-minded people who give complete allegiance and support to the Catholic Faith, His Holiness the Pope and the Clergy.
2. Being a part of the *largest organisation for Catholic men* in the UK, and being one of approximately 4 million Catholic Knights worldwide.
3. Belonging to an organisation that has collectively raised and given enormous amounts of money to help *worthy causes* both at home and overseas over many, many years. All for those less fortunate than myself.
4. Belonging to an Organisation where EVERY member, upon initiation, promises to pray for ME daily.
5. Belonging to an organisation which will never forget to pray for *me* when I have gone to my Eternal Rest, and, will continue to look after and include *my Widow*.
6. Belonging to an organisation which actively promotes the Teachings of the Catholic Church and promotes the Traditional Family. One that cares for the *needs of our young people* by organising activities that encourage their spiritual welfare and development.
7. Belonging to an organisation which gives me the practical opportunity to *promote local Christianity* by way of Christmas and Easter posters, and "Keep Christ in Christmas" stickers.
8. Belonging to an organisation that I know will look after *my family and me* in time of need.
9. Belonging to an organisation that welcomes, includes and values *my Wife* as part of the Order and which will give her the opportunity of making many more friends.
10. Belonging to an organisation which is valued and appreciated by my Parish Priest.

All of this in a spirit of CHARITY, UNITY and especially FRATERNITY.
